Introduction/History/Ownership/Governing Body

Brian and Karen Perdue founded their first Salon 124 in Snellville, Georgia in 1991. They immediately saw the need and started a training program. Education has been the foundation for this group of salons. By 1998, the apprenticeship (education) program had grown to 35 apprentices and the need for a separate facility for the education was acquired with two full-time instructors. The number of apprentices and licensed stylists needing advanced education to work for the Salon 124 Group of salons had grown so tremendously the need for a school was the next step. The Process Institute of Cosmetology has been in the conception stage for several years and opened in November of 2006. In October of 2014, we made the decision to create an alliance with Keune Haircosmetics of Holland and change our school's name to **KEUNE ACADEMY by 124**. The excitement around this intriguing relationship has been overwhelming!

Financial Assistance Programs:

Federal Pell Grant

The Federal Pell Grant is an important source of aid for students. The Free Application for Federal Student Aid (FAFSA) is available online at www.FAFSA.ed.gov, or in paper form from high school counselors and at public libraries. The amount of the award depends upon the determination of the student's eligibility, his or her enrollment status, cost of attendance, and payment schedule issued by the US Department of Education, Office of Student Financial Assistance.

Federal Direct Loan Program (FDLP)

The Federal Direct Loan Program (FDLP) has both subsidized and unsubsidized loans. A subsidized loan is awarded on the basis of financial need (need is the budgeted Cost of Attendance less estimated financial aid). The federal government pays interest on the subsidized loan until repayment begins and during authorized periods of deferment. An unsubsidized loan is not awarded on the basis of need. The borrower is charged interest from the time the loan is disbursed until it is paid in full. In addition, until repayment begins and during authorized periods of deferment, the unsubsidized loan borrower has the option to pay the interest or allow the interest to accumulate. Accumulated interest will be added to the principal amount of the loan and will increase the amount the borrower must repay.

Federal Direct Parent Loan for Undergraduate Students (PLUS) Loan Program

Federal Direct Parent Loan for Undergraduate Students (PLUS) Loans are for parents with good credit histories who want to borrow to help pay for their children's education. Loans are made available to the Parents of a dependent student by the US Department of Education.

Once the decision is made, it will be announced via School App. For weather related closings, refer to Gwinnett County School Closing listings via TV news, radio or website for whichever campus you attend is the county you would follow.

Emergency Procedures:

In the case of tornado warnings, students in classrooms should proceed to CLASSROOM 101 calmly. Students on the clinic floor should assist their clients to the LOCKER HALLWAY calmly. **Do Not Stop** for purses or anything else! Students at the front desk should assist any clients still in the reception area to the LOCKER HALLWAY calmly. Every student and employee will receive a Remind message in the event that they are off campus.

During a fire, we want to be sure that all of our staff and students are prepared to respond in a way that will keep everyone involved safe. There are specific procedures that we have in place here at Keune Academy by 124 in case of a fire. There is a fire alarm at Keune Academy by 124 that will sound when a fire has started or when a fire drill is taking place. When this happens, you *need to*:

- Calmly put down anything that you currently have in your hands or are currently using and exit via the nearest exit route (evacuation routes posted in each area of the school).
- Assist clients and classmates with exiting via the nearest exit route.
- **DO NOT STOP** for purses or any other personal belongings.
- Meet your instructor and classmates in the front parking lot. Stand back away from the school for your safety.
- If you are separated from your class when the fire drill sounds, immediately stop what you're doing, proceed to the nearest exit and meet your instructor in the front parking lot.
- Your instructor will take roll of your class to ensure that everyone has made it out safely.
- The Director of Education will check with each instructor to ensure that all students have made it out of the building safely as well as check to make sure that all staff members have made it to safety.
- If this is a fire drill and not a real fire, students, staff and clients will be allowed back in the building once everyone is accounted for.
- Every student and employee will receive a digital message in the event that they are off campus

When information is requested by a third party, it will be released only upon written permission from the student or guardian in the case of a minor. The student files are fireproof and kept locked or are overseen in administrative offices.

2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the school to amend a record should write the Director of Education, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the school decides not to amend the record as requested, we will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Keune Academy by 124 discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by Keune Academy by 124 in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom Keune Academy by 124 has contracted as its agent to provide a service instead of using employees from within, or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the school.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures to the school to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Satisfactory Academic Progress Policy

Satisfactory Academic Progress in attendance and academic work is a requirement for all students enrolled at the school. **NOTE:** Students receiving funds under any Federal Title IV financial aid program must maintain 80% academic and attendance progress as well as complete the program within the 125% maximum time frame in order to continue eligibility for such funds. All programs will have their first evaluation point on or before the midpoint of the academic year, whichever occurs first. The 1st academic year is 900 clock hours for each program.

EVALUATION PERIODS

Students are evaluated for Satisfactory Academic Progress as follows:

Hair Design	450, 900	scheduled hours
Master Cosmetology	450, 900, 1200	scheduled hours
Instructor	375, 750	scheduled hours
Master Cosmetology Instructor	375, 750	scheduled hours

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have had at least one evaluation by midpoint in the course.

ATTENDANCE PROGRESS EVALUATIONS

Students are required to attend a minimum of 80% of the hours possible based on the applicable attendance schedule in order to be considered maintaining satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, the school will determine if the student has maintained at least 80% cumulative attendance since the beginning of the course which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 125% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

COURSE	MAXIMUM TIME ALLOWED	
	WEEKS	SCHEDULED HOURS
Hair Design (Full time, 35 hrs/wk) - 1325 Hours	47.5 Weeks	1656.25
Master Cosmetology (Full time, 35 hrs/wk) - 1500 Hours	53 Weeks	1875
Instructor (Full time, 40 hrs/wk) - 750 Hours	33 Weeks	937.50
Master Cosmetology Instructor (Full time, 40 hrs/wk) - 750 Hours	33 Weeks	937.50

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 80% of the scheduled contracted hours.

Students who have not completed the course within the maximum timeframe will be dismissed from the program.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of study. Practical skills are evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by the school. Students must maintain a written grade average of 80% and pass a FINAL written and practical exam prior to graduation. Students must make up failed or missed tests and incomplete assignments. Numerical grades are considered according to the following scale:

97 - 100	EXCELLENT
89 - 96	ABOVE AVERAGE
80 - 89	AVERAGE
79 AND BELOW	UNSATISFACTORY

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students will receive a hard-copy of their Satisfactory Academic Progress Determination at the time of each of the evaluations. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV Funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, students may be deemed ineligible to receive Title IV funds.

PROBATION

Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic

plan will be considered making Satisfactory Academic Progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, students will not be deemed eligible to receive Title IV funds.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

LEAVE OF ABSENCE POLICY (LOA)

Authorized Leave of Absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period, approved by administration, during a program when a student is not in attendance. A LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during in LOA.

There is no monetary or absenteeism consequences as a result of an approved leave of absence when you return back to school. The school will extend the student's maximum time frame and the contract period by the same number of days taken in the LOA. Changes to the contract period on the enrollment agreement addendum must be signed and dated by all parties.

Acceptable reasons for a Leave of Absence include maternity leave, medical necessity, homelessness and financial hardship. Student must provide supporting documentation as evidence as to why a Leave of Absence is necessary. A student should submit a request for the leaves of absence in advance in writing, include the reason for the student's request, and include the student's signature. The only exception to this would be documentation provided to administration proving that the student was physically incapable of contacting administration at or before the start of the LOA. If this is the case, a request would still be necessary from the student at a later date. The request should include the reason in writing, the date the LOA will start and the date the student will return to school. It should then be dated, signed and submitted to administration. The beginning date of the approved LOA would be determined by Keune Academy by 124 to be the first date the student was unable to attend the institution because of the unforeseen circumstance. A student granted a LOA that meets these criteria is not considered to have withdrawn, and no refund calculation is required at that time.

Once a request is submitted for LOA, if approved, a LOA form will be created by administration. The leave can be no less than seven (7) calendar days and no longer than ninety (90) calendar days in a 12-month period. There is only one (1) LOA allowed regardless of the length of LOA chosen by the student. See additional LOA procedures in the section for Disability Accommodation Policy.

***In the event of a pandemic additional LOA's will be approved if the LOA is specifically related to the pandemic. The length of the pandemic related leave will be determined by the Director of Education and the Director of Student Services giving consideration to how much material will be missed and the students ability to resume in the class. It may be necessary to institute an 8 week LOA so the student may resume at the same point with the following group of students. All LOA's will not exceed a maximum of 110 days.

If the leave is approved by administration, there must be reasonable expectation that the student will return from the leave. If a student does not return to the institution at the expiration of an approved LOA (or a student takes an unapproved LOA), the student's withdrawal date is the date the student began the LOA. If a student does not return to the institution at the expiration of an approved LOA (or a student takes an unapproved LOA), and that as this institution is required to take attendance, the withdrawal date for the purpose of calculating a refund will be student's last day of attendance. When a student is a Title IV loan recipient, the disbursements will cease during the LOA. There may also be other consequences pertaining to the loan. A full explanation will be provided at time of request. The school will not assess the student any additional institutional charges as a result of the LOA.

WITHDRAWALS

Any student who withdraws from his/her contracted course, or fails to complete his/her training, will have a notice placed in his/her student file as to progress at the point of withdrawal. A student making Satisfactory Academic Progress at the point of withdrawal may apply for re-enrollment in the school and will be considered to be making Satisfactory Academic Progress at the point of re-entry. A student failing to meet minimum satisfactory requirements at the point of withdrawal will return in the same satisfactory academic progress status at which they dropped from the program upon re-enrollment. The student will continue to be evaluated at scheduled evaluation periods upon re-enrollment.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the

designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses and repetitions do not apply to this institution. Therefore, these items have no effect upon the school's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

If inclement weather is 3 or more days, end contract date will be adjusted. This course in Master Cosmetology leads to a certificate of course completion in the study of Master Cosmetology.

Pre-requisites: for the Master Cosmetology Course include a high school degree or GED, and a minimum age of 17.

A required Return to Title IV (R2T4) calculation will be performed to determine the portion of the unearned federal student aid that must be returned to the U.S. Department of Education. In many cases, the policy may also result in the student owing an overpayment to the Department of Education. The following is the distribution of unearned aid that must be returned. Stafford Direct Loans, FEDERAL PELL GRANT, AND THEN THE STUDENT.

- P. Withdrawals for clock hour students are determined by the school through monitoring clock hour attendance every 14 days. Termination will occur if the student is absent for fourteen (14) consecutive days.

Post-withdrawal disbursements will be made from Pell Grant funds first, if the student is eligible. If there are current educational costs still due the school at the time of withdrawal, a Pell Grant post-withdrawal disbursement will be credited to the student's account. Grants must be disbursed within 45 days. Any remaining Pell funds must be released to the student without the student having to take any action. Any federal loan program funds due in a post-withdrawal disbursement must be offered to the student and the school must receive the student's authorization before crediting their account. The authorization is required to be sent to the student within 30 days of the date the school determined the student's last date of attendance, allowing the student at least 14 days to respond.

***The Policy for VA benefit recipients is as follows: The School will refund the unused portion of unused Tuition and Fees on a Pro-Rata Basis. Any amount in excess of \$10 for an enrollment or registration fee will also be pro-rated

The school is not responsible for items left in a locker. If student does not notify school of date of pick-up within five days of withdrawal, the items left behind will be discarded.

Re-enrollment Policy

Students wanting to re-enter school within 12 months of withdrawal can do so if:

- Student contacts Financial Aid Administrator concerning cost of re-entry. The cost will be determined by hours, classes and requirements remaining. The re-enrollment fee will be \$500.00. The entire amount of charges in the initial contract will be the starting basis for the cost, adding the \$100 withdrawal fee and \$500 re-enrollment fee, minus any dollars paid in the original contract. The additional hours needed to complete the program will then be figured into the new cost to student. Depending on the amount of time the student has been in the program at withdrawal, student could have been responsible for tuition in its entirety at the time of withdrawal. In that case, the additional hours needed will be subtracted from the initial scheduled hours plus the 10% absentee factor. Once the student has exceeded their initial scheduled hours and 10% absentee factor, the student will be charged at the over contract rate (\$15/hr.). These over contract charges will be payable at the time the student reaches the scheduled hours plus the 10% absentee factor. The Federal Aid Administrator can determine whether the student will have federal aid available to them for this additional amount of tuition.
- Student's re-enrolling will be enrolled in the same Satisfactory Academic Progress as when they withdrew and will continue to be evaluated at scheduled evaluation periods once re-enrolled.
- The Director of Education will make the decision of hour, classes and requirements needed by pulling an evaluation report in "Freedom" to determine where in the program the student should re-enter.
- Any reenrollment will be evaluated by a Review Board, to determine if the student is eligible for reenrollment.
- Any student deciding to re-enter after the 12-month period will have to start the program and cost in its entirety.
- A student that dropped or was dismissed based on academic or attendance percentages has the right to re-enroll in the same course offered at the school once.

Transfer students in and Transfer Out

All transfer hours are considered on a one-by-one basis. Prospective students will not be considered for enrollment if you are currently enrolled at another school. To transfer out of our institution, you have to complete the withdrawal process and pay any amounts left on your student ledger. At time of full payment, or if you have contractual arrangements to pay amount in full, you will receive your transcripts. Our institution has no way of knowing if other institutions will accept your transcripts. Transfer hours are reviewed on a case-by-case basis. When a student has had previous education and training in an accredited cosmetology school and successfully completed 450 clock hours, he or she can be eligible for a scholarship of \$3000.00. In order to receive this scholarship, the academy must have a copy of the potential student's "official" or "unofficial" transcript from the previous school. Once transcripts have been evaluated, the student will be informed if he/she is eligible to receive the scholarship. Any transfer hours are determined solely at the discretion of Keune Academy by 124 management

Advisement of Students

Appointments can be scheduled on any normal school day, by the student with the administrative personnel who are in need of advisement in any area such as financial aid, academic, attendance, etc. Students are encouraged to seek advice with proper personnel if a problem exists that needs attention.

within 10 days and resolved to benefit all parties involved.

Campus Security

Campus Security and safety are important issues in postsecondary education today. As required by the U.S. Department of Education Keune Academy by 124 is committed to ensure we are in compliance with the act known as the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act, or Clery Act. This act provides students and families, as higher education consumers, with the information they need to make informed decisions.

Statement of Non-Discrimination

The school does not discriminate in its' policies on the basis of race, religion, color, sex, ethnic origin, age, veteran status or sexual orientation in its admission to the school or treatment in its programs, activities, advertising, training, placement, or employment. The school does not allow or tolerate discrimination of any kind, bullying, harassment or hazing of any sort. If any special accommodations are needed, full disclosure should be given prior to enrollment. Any complaints will be addressed, by the General Manager. Complaints will be resolved, and a decision will be provided within seven business days, in writing, by the General Manager.

Chosen Name and Preferred Pronoun Policy

For the purposes of booking clients, students may have to choose another name to use as a "salon floor name" if their legal first name is already in use on the booking appointment software. This will happen during the first week of Freshman Phase. If your preferred name is used by a student who is graduating before the start of your Junior Phase, the floor name can be changed. Names chosen must be appropriate as to not offend or discriminate against a group of people.

Keune Academy by 124 recognizes that some students wish to identify themselves by a name other than their Legal Name (ie., the name stated on the student's birth certificate or primary form of government-issued identification). For this reason, students can select to identify a Chosen Name in addition to their Legal Name by notifying their Freshman Instructor during the first week of school. In addition to a student's Chosen Name, the student may identify their Preferred Pronouns, for others within the Keune Academy by 124 community to utilize when referring to the student. No documentation is necessary to select a Chosen Name or Preferred Pronouns.

Once selected, a Chosen Name and Preferred Pronouns can be utilized in the following administrative areas:

Title IX Policy: Full Title IX Policy, procedures and resources are available on our website

The school will not tolerate sexual discrimination, sexual harassment, or sexual assault of any kind. If you feel you have been discriminated, harassed, or assaulted please contact one of our Title IX coordinators Alan VanHassel, General Manager or Melody Jaggar, Director of Education. Anyone accused of misconduct will be immediately questioned and disciplined based on the extent of the misconduct. The title IX coordinator will follow up with the complainant on multiple occasions to verify the misconduct has stopped. If the misconduct is of a severe nature, we request that the complainant file an internal grievance with the school so a formal investigation may proceed. Upon filing of the complaint, the respondent may be required to take an administrative leave of absence until the accusation has been completely investigated and the complainant no longer feels threatened or in danger.

The Director of Education is the coordinator of Title IX, the Education Amendments Act of 1972, which prohibits discrimination on the basis of sex in any education program or activity receiving federal financial assistance. All inquiries or complaints under the sex discrimination provision of Title IX should be directed to the Compliance Officers. Compliance officers must act equitably and promptly to resolve complaints and should provide a response within seven business days.

- b. Individuals with disabilities are entitled to a reasonable accommodation to ensure that they have full and equal access to the educational resources of the school, consistent with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act ("ADA") and their related statutes and regulations
- c. Section 504 prohibits discrimination based on disability in any program or activity receiving federal financial assistance. The ADA prohibits a place of public accommodation from discrimination based on disability. The applicable law and regulations may be discussed with the General Manager, who has been designated to coordinate the efforts of the school to comply with Section 504 and ADA.

2. Requests for Accommodation

- a. Individuals with disabilities wishing to enroll in a program of study and wishing to request a reasonable accommodation must disclose information to the Director of Admissions. The General Manager will then be notified to assist in the request
- b. Reasonable accommodations are available for students and applicants who provide the appropriate documentation of a disability. Such documentation should specify that a student has a physical or mental impairment and how that impairment substantially limits one or more major life activities. In general, the supporting documentation must be completed by a qualified professional in the area of the student's disability
 - i. Documentation used to evaluate the need and reasonableness of potential accommodations may include a licensed professional's current medical diagnosis and date of diagnosis, evaluation of how the student's disability affects one or more of the major life activities and recommendations, psychological and/or emotion diagnostic tests, functional effects of limitations of the disability, and/or medications and recommendations to ameliorate the effects or limitations.
 - ii. The General Manager has the discretion to determine the type of documentation necessary to establish the present level of the student's disability and its impact on the needs in the education setting.
 - iii. The school may request additional documentation as needed.
 - iv. Any costs associated with the initial documentation or future documentation will be the responsibility of the student or prospective student.
- c. A copy of the documentation will be retained in the student's Admissions file
- d. After the General Manager and Director of Education have reviewed the request, they will engage the student or applicant in an interactive process to determine what accommodations may be reasonable.
- e. If the student or applicant is denied the requested accommodation, he/she may file a grievance using the Grievance Process below or he/she may file a complaint with the U.S. Department of Education's Office for Civil Rights or a similar state entity
- f. There are no pre-set accommodations for specific disabilities. Instead, the General Manager and student will discuss and determine what the student's limitations are, and how they can be accommodated.
 - i. Examples of Accommodations with proper documentation may include:
 1. The use of a cushioned floor mat, scheduled time to sit, etc.
 2. Extended time to take written tests in a location that has reduced distractions.
 3. One additional Leave of Absence

4. Additional tardies per month up to 6 total
5. Additional 5% absence factor for a total of 15% absence factor for the program
 - a. The maximum time (which does not exceed 125% of the course length) allowed for students to complete each course at satisfactory progress is still applicable. Students who do not complete the course within the maximum time frame will be terminated from school.

3. Limitations

- a. The school is not required to adjust or provide aids or services that would result in an undue burden on the school.
- b. The school is not required to alter or modify a course or academic program to the extent that it changes the fundamental nature of the course or program.
- c. Decisions regarding accommodation or auxiliary aids and services may require consultation with the school's educators and/or staff to consider the fundamental nature of a course or academic program or whether the accommodation would impose an undue burden on the school.
- d. Accommodations are not retroactive.

4. Ineligibility

- a. Students who are not eligible for accommodations but still have an issue affecting their academic performance (including temporary illness) may seek assistance from the General Manager and/or Director of Education who will respond to requests in accordance with established school policies.
- b. Educators are not to provide accommodations to students without the prior approval of the General Manager and/or Director of Education.

5. Grievance Process

- a. Keune Academy by 124 has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 and/or the ADA.
- b. Any person who believes he/she has been subjected to discrimination based on disability, including disagreements regarding requested accommodations, may file a grievance pursuant to the procedure outlined below. The school will not retaliate against anyone who files a grievance in good faith or cooperates in the investigation of a grievance.
- c. Procedure
 - i. Grievances must be submitted to the Advisory Board within thirty (30) days of the date the person filing the grievance becomes aware of the alleged discriminatory action.
 - ii. A complaint must be in writing, containing the name and address of the person filing it. The complaint must state the problem or action alleged to be discriminatory and the remedy or relief sought. Must be emailed to: advisoryboard@keuneacademyby124.edu
 - iii. The Advisory Board will investigate the complaint and afford all interested persons an opportunity to submit relevant evidence. The Complainant may also present witnesses relative to the complaint.
 - iv. All reasonable efforts will be made to provide a written determination to the student or applicant within 30 days after its filing. If a written determination cannot be made within 30 days of the complaint's filing, the Advisory Board Coordinator will so advise the student and provide an update as to the status of the investigation. The student may also contact the coordinator to inquire as to the status of the investigation at reasonable intervals.
 - v. The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination based on disability with the U.S. Department of Education's Office for Civil Rights and/or a similar state agency.
